

The background of the entire advertisement is a detailed illustration of Indian waiters. They are depicted in traditional attire, including various styles of turbans (yellow, white, red, and green) and patterned jackets. Each waiter is carrying a large, ornate, circular plate on their head. The plates feature intricate floral and geometric designs in colors like red, yellow, and black. The waiters are shown in profile or three-quarter views, looking in different directions, creating a sense of a busy, traditional restaurant environment. The overall color palette is warm, dominated by oranges, yellows, and reds.
